ABOUT US

Haining Lisheng Decoration Material Co., Ltd. established in 2018, is located Jiaxing City, Zhejiang Province, China. Our factory covers an area of 23,850 square meters, with a building area of 42,000 square meters.

Our company integrates production and R&D to mainly manufacture PVC ceiling panel, PVC wall panels, Soffit panels, WPC wall panels, SPC wall panels, UV marbel boards, PVC folding doors, and various PVC profiles accessories. Our products are widely used in both indoor and outdoor building decoration.

We strictly adhere to ISO 9000 international standards and industry standards in our production processes. Additionally, we are also open to accepting special customization requests for our products. Over the years, our products have developed unique manufacturing techniques, superior performance, and widespread practicality. Our emphasis on quality and innovation has resulted in a positive reputation in the industry.

We are dedicated to the production of high-quality decorative materials and are committed to ensuring customer satisfaction through continuous improvement and innovation. We strive to promote positive growth in the industry and to contribute to the development of the local economy.

We always adhere to the business philosophy of "people-oriented, quality first", and are committed to providing customers with more competitive high-quality products by focusing on customer needs.

Our company operates in several dozen countries, including the United States, the United Kingdom, Philippines, Saudi Arabia, and Australia, and has over 200 clients engaged in international trade. Domestically, we specialize in hotel engineering and decoration.

We strive for excellence and are committed to providing high-quality service. Our pursuit is one of constant improvement and dedication.

Lisheng is looking forward to collaborating with you!
